

DAYTONA MOTORSPORTS

Summer Academy 2010

Ready, Set ... Start your brains!

The more you know, the faster you go...

Just like professional race car teams, you will use race engineering and technology to make your race car go fast!

Your team will use remote control cars built on a 1/10th scale of actual race cars.

Use STEM (science, technology, engineering and math) to design and modify your race car to drive your team to the winner's circle.

Experienced instructors will teach you what you need to know to race your car!

Who: Gifted or High Achieving Students – rising 8th -12th graders

When: Session Dates: • July 12 - 16 • July 19 - 23 • July 26 - 30
Monday – Friday 8:30 a.m. to 4:30 p.m.

Where: Advanced Technology College, 1770 Technology Blvd., Daytona Beach, FL

Bring: A bag lunch, water bottle and a winning attitude

Cost: Funded by the Governor's Gifted Summer Program
The value of the academy is \$450 at no cost to participants.

Option: Dual enrollment available – See Web site for details
