WELCOME TO THE HEALTHCARE PURCHASING ALLIANCE

Welcome to the Healthcare Purchasing Alliance (HPA). The HPA offers the highest quality network of physicians, hospitals and other health care providers. Volusia Health Network (VHN) and Florida Memorial Health Network (FMHN). Participating in this coordinated self funded health care system provides you with quality services that promotes, enhances and maintains cost effective care while ensuring the health of our community.

Member ID Card

In order to expedite processing, we encourage you to carry your HPA ID card with you at all times. Present this card whenever you receive medical or prescription services. This card contains important information, including addresses and phone numbers, necessary for discount claims payment, hospital admissions and pre-authorization of covered services.

You have the option of using this directory to select and obtain direct access to a physician of your choice. If you have questions regarding the status of any provider of healthcare services listed in this directory, please call either VHN or FMHN. If you elect to call a physician's office directly to arrange an appointment, please identify yourself as a HPA participant. When you arrive at your appointment be sure to present your identification card. Depending on the service provided, you may be responsible for an office visit co-payment at the time of service.

What services need to be pre-certified?

At least seven (7) days before an elective admission to the hospital, your physician must call **Preferred Physicians Healthcare Alliance's (PPHA)** Utilization Department. The telephone number is (888) 522-7742. The utilization review staff will evaluate your treatment plan to determine the medical necessity of your admission. This process is called pre-certification. Please refer to Pre-certification of the HPP Summary Plan Description.

Inpatient Services:

All non-emergency, hospital inpatient services must be authorized prior to admission.

Outpatient Procedures:

Some surgical procedures must be performed on an outpatient basis to obtain coverage. Your physician must contact PPHA for pre-authorization of such procedures.

Other Services

HPA also requires pre-certification of certain outpatient tests. Review your Summary Plan Description provided by your employer for specific utilization review requirements. Your physician must also contact PPHA for pre-authorization of such services.

PLEASE NOTE:

The information contained in this Provider Directory is subject to change and that the continued participation of any one physician, hospital or other provider cannot be guaranteed.

To ensure full benefits from your plan, please confirm provider participation before you receive medical services. For verification of providers participating within the network or other provider-related questions, please contact
Volusia Health Network at 386-425-4846
