This Is How I Am by Jerred Mason

No matter what comes my way I'll succeed.

No matter how hard it gets I'll still believe.

No matter how much is taken I will still receive mine.

No matter how long it takes it will come in due time.

No matter what people say I'll speak the truth.

No matter how high it is I'll still surpass the roof.

No matter what you say as far as my dreams I'll still reach them.

No matter how hard I get hit or how fast I fall I'll still get up preaching.

And you ask me why am I like this no matter what comes my way?

It's because I believe in the Bible and all it has to say.

I have been convicted and persuaded and I know all of the Bible is true.

And I can tap into its promises and so can you.

I asked God could I succeed and he said that I can.

I needed help to have faith and believe and he gave me a hand.

I have been patiently waiting and mine came in due time.
I have been speaking the truth and the false has slipped my mind.

I asked to surpass the roof over me called statistics, and I'm standing on the ceiling.

I opened my eyes after sleeping and I'm walking in what I was dreaming.

I was pressing forward and got hit hard and fell fast, but now I stand.

Daily maturing and becoming a man.

And you ask me why I'm like this no matter what comes my way...

It's because Jesus lives in me and he allows me to be this way.

This is how I am.

But I have a question... How are you?
